

**A & L Canada Laboratories Inc.
Job Posting**

Greenhouse Operations Manager

A & L Canada Laboratories Inc. (A & L) is one of Ontario's largest Agricultural and Environmental laboratories specializing in soil, plant tissue, fertilizer, food and water testing. A & L provides reliable, comprehensive and effective services for analytical testing. Our Environmental division provides inorganic chemistry, organic chemistry, general chemistry, microbiology and pesticide analysis using state of the art technology and methodology.

A & L Canada Laboratories Inc. is currently seeking a Greenhouse Operations Manager to facilitate the start-up and continued sustainability of our Ailsa Craig facility. This position will require several months training at our London, ON facility. The GOM will ensure the effective growth of operations including watering, fertilizing and plant health. The GOM will also be responsible for the management of the facility and the employees of the facility.

Responsibilities:

- Efficiently and safely manage all operations throughout the facility including workflow and meeting production schedules.
- Ensure Biosafety level 2 (or 3) protocols including safety and containment are met adhered to following the PMRA and CFIA regulations, report and correct non compliances
- Implement hire, train, and retain strategy for all direct reports
- Work closely with pertinent departments within A&L to ensure success of the operations
- Work closely with purchasing and suppliers to ensure any product used is purchased from approved sources and meets applicable regulations.
- Adopt Green Lab practices throughout the facility

Qualifications:

- College/University Degree in Horticulture with 10 years relevant horticulture or greenhouse experience and 5 years management/supervisory experience.
- Experience with a start up operation is considered an asset.
- Leadership skills, ability to be objective
- Organizational and problem-solving skills

- Knowledge and adaptability with various computer programs (Word, Excel, e-mail, etc.)
- Valid Drivers License
- Ability to work independently, as well as part of a team
- Flexible, Reliable

Interested candidates are asked to submit their resume via email to Bridget Patience, HR Manager at bpatience@alcanada.com by October 29, 2021.

A&L Canada Laboratories welcomes and encourages applications from people with disabilities. Accommodations are available on request for candidates taking part in all aspects of the selection process.
